

An innovative new program that delivers break-through team building for business

Team Building through Play

Developing Spirit and Delivering Results

Presented by Career Development Services
at Strong National Museum of Play

TEAM BUILDING THROUGH PLAY IS DESIGNED FOR:

- Work teams with a desire to become more cohesive and productive
- Teams that want to better understand each individual's talents and motivations
- Teams seeking a cost-effective program or retreat to build spirit in a fun setting
- Teams from large corporations to small not-for-profit organizations

TEAM BUILDING THROUGH PLAY PARTICIPANTS WILL:

- Have fun while building a stronger team,
- Use play to encourage engagement and foster respect,
- Discover the distinct contributions of each team member, and
- Develop a tool kit to take back to the workplace to strengthen relationships.

"Our team gathered valuable insights into how we function as a whole and as individuals. Great combination of tactical information and team-oriented activities in an ideal venue."

Chad Oliveiri
Manager, Content Development
Element K

"It was great fun to play and learn at the same time! We all identified key attributes, how we each bring different gifts to the group, and how to communicate with each other to get synergy out of the whole team. All the feedback I received was positively in support of the investment!"

Amy S. Friend, BB, CQM
Manager, Worldwide Technical Communication & Localization
Carestream Health, Inc.
