

Hands-On Fun at the National Museum of Play®

Purchase a tile with your child's handprint on it and you'll see that handprint displayed every time you visit the museum! The handprint tiles serve as a permanent expression of your commitment to the museum and your financial support of our quality educational experiences for families and children.

Here's How You Can Lend a Hand!

National Museum of Play Members

For a **\$150** contribution, your child or grandchild (under age 18) can put his or her handprint, name, and age on a colorful ceramic tile to be displayed at the museum. If you would like to display a tile for more than one child, additional tiles may be purchased for \$75 each.

Not a Museum Member?

Your **\$250** contribution includes a colorful ceramic tile displayed at the museum with your child's or grandchild's handprint, name, and age. Handprint tiles for additional children may be purchased for \$100 each.

Take home a tile for an additional contribution of \$50 each. Tiles make a great keepsake for moms, dads, grandpas, grandmas—anyone who thinks your child is special!
