

Visiting the *One History Place* Exhibit

I am going to visit the *One History Place* exhibit at The Strong museum. There will be other children playing. There are lots of places to play there.

Things will be different from my last visit. This is to keep me and my adult healthy. Museum hosts will be wearing blue shirts and masks. The museum may smell different than I remember. I will smell the cleaning supplies that the workers are using to clean the museum. I might see workers cleaning while I am visiting the museum. I can help, too, by cleaning my hands and not touching my face.

Children Playing School

I can dress up or play games up in the attic.

I can pretend to pump water in the old-fashioned kitchen. I can also wash and iron the laundry or have a tea party there.

On the mail train, I can shovel coal into the shoot. I can also sort the mail there.

I will stay inside *One History Place* with my adult until we are ready to leave together.

I am excited to play with all the old-fashioned things in the exhibit.
