

Visiting the *eGameRevolution* Exhibit

I am going to visit the video game exhibit at The Strong.

Things will be different from my last visit. This is to keep me and my adult healthy. Museum hosts will be wearing blue shirts and masks. The museum may smell different than I remember. I will smell the cleaning supplies that the workers are using to clean the museum. I might see workers cleaning while I am visiting the museum. I can help, too, by cleaning my hands and not touching my face.

To visit the exhibit, I will go with my adult up the stairs or we will take an elevator to the second floor. The games make noise and have bright lights. Some games are in a dark room. Other games are in brighter spaces. My adult will take me to play the games I like best.

Light Floor and Artifact Cases

I will need a token for some games. I will ask my adult if we can buy tokens. If we do not buy tokens, there are still other video games to play.

The exhibit also has display cases filled with interesting things. The video game exhibit is exciting. If the lights or noises bother me, I will ask my adult to take me out.

I will not leave the video game exhibit without my adult. I will have fun at the museum!
