Contents List

Series I: *This War of Mine* franchise, 2014-2019

**Scope and Content Note:** This series holds graphic and text files related to the award-winning game *This War of Mine* and its various expansion packs, released editions, and spin-offs. Files include game graphics, screenshots, logos, advertisement graphics, and more.

**Historical Note:** *This War of Mine* is a war survival video game developed and published by 11 bit studios, first released in 2014. Inspired by the atrocities endured by Bosnians during the Siege of Sarajevo from 1992 to 1996, the game focuses on the civilian experience of war rather than front line combat. 11 bit studios released an anniversary edition of the game in 2016, followed by an expansion pack called *This War of Mine: The Little Ones*. Several standalone episodes (*Father’s Promise*, *The Last Broadcast*, and *Fading Embers*) under the *This War of Mine: Stories* heading were distributed in 2017 and 2018. A comprehensive edition called *This War of Mine: Complete Edition* was released exclusively for the Nintendo Switch in November 2018.
