Visiting the One History Place Exhibit

I am going to visit the One History Place exhibit at The Strong museum.

Things will be different from my last visit. This is to keep me and my adult healthy. Museum hosts will be wearing blue shirts and masks. I will wear a mask. The museum may smell different than I remember. I will smell the cleaning supplies that the workers are using to clean the museum. I might see workers cleaning while I am visiting the museum. I can help, too, by cleaning my hands and not touching my face.

There will be other children playing. Playing will be different. I will play at least six feet away from other children. There will be signs and spacers on the floor to help me. Some parts of each exhibit may be closed for a little while. I might feel disappointed or frustrated, but I can still have fun. There are many things I can play with on my own or with my family.

I can write on the chalkboard or sit at a desk in the schoolhouse area. I can pretend to be a teacher. I can dress up or play games up in the attic. I can pretend to pump water in the old-fashioned kitchen. I can also wash and iron the laundry or have a tea party there. On the mail train, I can shovel coal into the shoot. I can also sort the mail there.

I will stay inside One History Place with my adult until we are ready to leave together. I am excited to play with all the old-fashioned things in the exhibit.

My adult can learn all about changes at the museum at museumofplay.org so we can learn more together.
